a monthly inventory of information from u s government foreign service offices and other sources that may not otherwise be made available promptly

this book is an attempt to get to the bottom of an acute and perennial tension between our best scientific pictures of the fundamental physical structure of the world and our everyday empirical experience of it the trouble is about the direction of time the situation is that it is a consequence of almost every one of those fundamental scientific pictures and that it is at the same time radically at odds with our common sense that whatever can happen can just as naturally happen backwards

the lyricist behind such enduring classics as *Brigadoon Camelot* and *My Fair Lady* Alan Jay Lerner 1918-86 was a consummate craftsman refining his work over and over in this book editors Dominic McHugh and Amy Asch bring to life the stories behind Lerner's oeuvre while also providing alternative or draft versions of his work for the theater lover and scholar alike the book sheds new light on one of musical theater's defining figures

a history of our time
